## *Discover Unique Assets Beyond Typical Investing.*

With Wild Rose, you can dip your toes into accessing unconventional opportunities, building substantial value as a strategic partner.

## Methodical Where It *Matters.* Creative Where It *Counts.*

We focus on smaller, high-potential opportunities - whether that's a duplex, a local retail strip, or an overlooked business ready for new energy. These ventures sit outside the "standard market," but that's where the upside lives. With your investment, you can be part of these unique projects and gain a real stake in their growth without taking on the day-to-day work.

## The *Expertise* Behind Your Investment.

Brett Ziegler

*PARTNER*

From an early fascination with building and problem-solving to leading a travel tech company, Brett has always been drawn to tackling complex challenges. Whether conquering mountain trails or starting his next venture, Brett brings deliberate strategy and transparency to every opportunity, ensuring you're supported and confident at every step of your investment journey.

Brett Borle

*PARTNER*

Beginning his career in the energy industry, Brett applies his sharp analytical mind to find property investments full of potential, personally guiding you through smart, lasting acquisitions. Whether taking his best shot on the soccer field or hunting for the next valuable property, Brett's drive for success will help build and protect your carefully crafted portfolio.

## Your Entry to *Exclusive* Ventures.

Unusual assets. Thoughtful strategy. Surprising results.
